Tabanan Has Much To Offer Tourists

Tabanan has interesting object for tourists around the world. Tabanan also has many objects which need promotion. Tabanan Regent Ni Putu Eka Wiryastuti, S.Sos. asked media support to join tourism object promotion in Tabanan. “We expect Bali Travel News (BTN) to join tourism promotion in Tabanan,” she said when she welcoming the head of BTN Palgunadi yesterday in his office with the Head of Public Relation and Protocol Secretary Tabanan W. Sarba, S.Sos., M.Si. and The Head of Tourism Office Tabanan Wayan Diasa.

Tabanan has many tourism objects that need promotion from media. Promotion was very needed to introduce all of object in Tabanan. “Tabanan is not only Tanah Lot. Tabanan has tourism village in Blimbing, Soka Area, and other object,” he mentioned. Tabanan annually visited by more than two million tourists. Most of them are domestic tourists. It records 60-70 percent tourists who came to Tabanan were domestic tourists. “Domestic tourist market was never low. Every week end they will come to Bali including Tabanan,” he said.

Regent Eka did not want the tourist only come to Tabanan but it should give economy effect for Tabanan. For those reasons they need to build infrastructure and facilities reconstruction so tourists wanted to stay longer in Tabanan. She realized Tabanan really needed investment among its reconstruction. But the coming investment still must follow the local rules. “All of investment should obey local rule so if they were not fit with our rule we will control them.”
